All,

I just spoke with Joe and it looks like 4:30 PM on Monday will work best at the moment for the most parties. I will be sending around a calendar invite with call in information shortly.

Thank you all for the quick turnaround and for your flexibility on this.

Monday afternoon works for me (assuming we don't want to wait until there's something more substantive to share)

**Subject:** HSST Majority Meeting re. HONEST

All,

Richard has requested that we set up a time next week with House Science Committee majority to discuss the HONEST Act. Below are some potential times that might work, please let me know what times might work for you and once we have an option I will offer that to HSST. The intention is for this to be a phone call to the Hill.

According to Scheduling Assistant, I potentially see:

Monday at 4:30PM  
Wednesday at 12:00PM-1:00PM or 4:00PM  
Friday at 10:00 AM or 4:00PM

If none of these times work for you, please let me know at your earliest convenience so I can work to see what else might be available.

Thank you,

**Christian Rodrick**
